Punarbhava: Web Portal on education, training and empowerment of persons with disabilities

‘Punarbhava’ meets World Wide Web Consortium (W3C) accessibility guidelines

Objectives

- Availability of all disability related authentic information at one place
- Information on National and International laws and policies pertaining to disabilities at one place
- Sharing of resource materials
- IT access and other hands-on activities for all stakeholders
- Better training opportunities to the students, parents, professionals, persons, etc.
- Career opportunities for persons with disabilities and rehabilitation professionals
- Getting peer and mentor support
- To upgrade the attitude, knowledge and skills of teachers, trainers, and medical professionals and stakeholders in disability prevention and rehabilitation.

Rehabilitation Council of India (RCI), in collaboration with Media Lab Asia, started interactive and informative web portal Punarbhava (www.punarbhava.in) on disability and rehabilitation, in the year 2007.

Punarbhava is reservoir of information, Under its wide spectrum of headings of National disability register, Legal instrument, Resources, Publications, RCI Programmes, Careers for PWDs, National and International News, Event calendar, Research article, Assistive devices, Data collection / NGO Registration form etc.
